PLEASE NOTE: If you cannot meet your scheduled date, **please try to make a switch with someone else on the schedule FIRST, before calling the church office. Once you have switched, please call the church office and let DAR SIKORSKI know who you have switched with.** If your name does not appear on this schedule, you will be put on future monthly schedules. If you are using CD/tape background, please contact Tim Corey and arrange to practice your selection with them on Sunday morning before 9:00 a.m. or after the Sunday school hour. There should be no practicing in the auditorium on Sundays after 9:00 a.m. To find out where you fall in the order of service, check with the church office before Sunday. **Please sit in the front row of the auditorium.** Come to the platform in a timely fashion; we want to eliminate any “dead space” in the order of service. We trust that God will bless you in your time of preparation to serve in music. Thank you for your willingness to use your talent for Him!
